Dear Prof. Ibrahim
I trust this email finds you well.
We would like to notify you that the World Bank has reviewed and approved your 2025 Annual Workplan subject to you addressing the comments below.
Kindly address all the comments and suggestions below and submit the final copy of your 2025 Annual Workplan here Nigeria for World Bank and AAU's records. Kindly note that we will consider your Workplan fully approved after we have received your revised workplan in our records.

1. Center has proposed activities until April 2025. Suggest adding to the timeline if there are any non-results related activities that the center plans to continue in May and June. For example, payment of tuition, stipends, and accommodation for students.
2. Please note that all activities related to the achievement of results must be completed by February 2025, if still pending.
3. *For all activities related to DLIs to be verified by the WB, please ensure that the expected revenue includes the estimated funds to be earned from the WB following verification*
4. Please include line items on Safeguards activities related to construction activities. Safeguards activities can commence before completion of the construction and some examples for safeguard activities include
    - Conduct ESMP implementation audit for all construction activities including funding
    - Provide adequate signage around work areas/institution premises
    - Implement / Administer the worker's code of conduct as per the ESMP provision

Thank you
