AHMA	DU BELLO U	NIVERSITY	WORK PLAN (JANU	JARY - DECEMBER	2018)				Year 2018								_			
A malicul	COMPONE	SUB-			JUSTIFICATIO		ESTIMATED	RESPONSIBLE	January - Decemi						10er 2018					
ty No		COMPONE NT	ACTIVITIES	OBJECTIVE	N N	OUTPUT	BUDGET (\$)	PERSON	Jan.	Feb.	Mar.	Apr	Мау	June	July	Ang.	Sept.	Oct.		
	ing African Centres of Excellence	ment of residual research	a. Selection of research & teaching equipment in consultations with stakeholders	To acquire Low temperature Fridge, Genetic Analyzer, Chest freezers,	Appropriate completion of common lab facilities for the centre	List of required equipment available		Leader/Lab												
			<ul> <li>b. Tender document preparation</li> </ul>	Sequencer, Micropipettes (Fixed and adjustible), etc		BOQ prepared	\$3,000.00	Procurement Officer												
			c. Advertising			Bid documents submitted	5,000,00	Procurememnt Officer												
			d. Tender Evaluation and contract award			Contracts awarded	\$2,500.00	Procurememnt Officer												
			e. Supply, installation & commisioning			Acquisition of functional equipments	\$200,000.00	Prcourement Officer												
		2. Procure- ment of	a. Selection of research & teaching	To acquire basic and specialized	Successful completion of	priorotized list of reagents and	\$2,000.00	Centre Leader/Procurem												
		core	reagents and b. Tender document	laboratory reagents, consumables and	students' research projects/theses,	chemicals produced BOQ prepared	\$2,500.00	ent Officer Procurement									<b>-</b>	-		
		supplies	preparation	glassware for	course works, etc			officer												
			c. Tender Evaluation and contract award	students course and research works	(to ensure sustainaboility, beside bench fees	Contracts awarded	2,000,00	Procurement Officer												
		d. Supply	charges, studnets are being encouraged to apply for fellwoships and grants)	Teaching and research consumables available in the store and lab for students research works	\$150,000.00	Procurement Officer/Lab Manager														
		and and		Acquisition of Liquid Nitrogen Storage facilities,	Appropriate completion of common lab facilities for the centre	List of biobank facilities produced		centre Leader, Procurement Officer												
		mainte- nance of biobank facilities	b. Tender document preparation	eparation transport boxes, cetc Tender Evaluation d contract award		BOQ for biobank faciities available		Procurement Officer												
		raciides	c. Tender Evaluation and contract award			Contract awarded		Procurement officer												
			d. Supply			Storage facilities for biological sanples available for research and	\$60,000.00	Procurement Officer/Lab Manager												
6		4.	a. Procurement of	Key to finishing an	learning and research activities	Variety of animals	\$30,000.00	Procurement									_	$\dashv$		
			b. Stocking of animal	cods project of the Centre particularly with varieties arch animals drug and vaccine development one year)		available for different levels of research	\$25,000.00	Officer. Lab Manager Procurement									_	_		
		maintenan ce	of research animals c. Provision of animal				\$20,000.00	Officer. Lab Manager Procurement										_		
			d. One year emolument for casual				\$5,000.00	Officer Accountant								1				
4		Programm management activities of	Facilitation of activities of the Centre	Improved time	Minutes of meetings on Centre's website	\$8,000.00	Communication officer,													
		administra tion	b. Procurement Committee meetings (#8)		Centres activities	Minutes on Centre's website	\$5,000.00	Communication Officer												
			c. Quarterly Project Audit Committee Meetings (#4) d. Website Maintenance e. ICT Officer			Auidt reports on Centre's website	\$4,000.00	Project Auditor												
						Website active and functional	\$10,000.00	ICT Officer Accountant												
			Emoluments																	
			g. General communications including procurement of communication equipments (computers, photocopiers, scanners, network subscriptions, etc)			Communication facilities available and in use	\$50,000.00	Communication Officer, Procurement Officer												
			f. Engagement of External Auditor	Attaining financial transparency	To improve financial accountability	Improved financial transactions and transparency	\$5,000.00	Project Auditor, Accountant									$\exists$			
		6. Support to research activities of faculty	a. Sponsorship of faculty to national workshops & conferences (10 in #)	To facilitate knowledge and skill advancement		Improved learning and research outcomes	\$20,000.00	Project Coordinator, Centre Leader												
		and students	b. Sponsorship of faculty to International workshops & conferences (10 in			Improved learning and research outcomes	\$50,000.00	Project Coordinator, centre Leader												

7	F	7. acilitatio	c. Spondorship of students for bench works at regional and international collaborating institutions (5 in #) d. Payment for publications (page charges) a. Sourcing of internship centres		A major component of the educational delivery of the program; it also resolves prior student issues and incentivizes faculty  To enhance the employability of trainees: This is a key area	Improved learning and research outcomes  Increased Elsevier rated journal publications  Appropriate internship centres selected		Project Coordinator, Centre Leader  Centre Leader, Accountant  Capacity building coordinator, Project Coordinator					
	I	nternship	b. Administration of	students an att	requiring urgent and critical attention, considering low	Adequate number	\$40,000.00	Capacity building				$\frac{1}{1}$	
		7. Facilitatio n of Student Internship  8. Publicity  9. Internatio nal accreditati on  10. Grantmans hip  11. Internatio nal student Fellowship  12. Streghnten ing Center's respective capabilitie	poster presentation by faculty and students	community,	To improve wider and rapid diseminations of project activities nationally and regionally	of interns trained  The university community is better informed of Centre's activities		Centre Leader, Communication Officer					
			b. Production of a 30 minutes TV Documentary - to be aired in the national TV channel (NTA) c. Development and production of			The Country at large become more informed of Centre's activities  Activities of the Centre is known		Communication Officer  Communication Officer, ICT					
			electronic and print newsletter			regionally and internationally	,	Officer					
	I n a	nternatio nal nccreditati	a. Self assessment     b. Accreditation by Royal Society of		To improve the quality of teaching and research activities	Improved rating of Centre of Excellence and international recognition of its	\$15,000.00 \$200,000.00	Project Coordinator Project Coordinator,				-	
	0	on	Biology, UK	standards		programme		Communication Officer					
	G	Grantmans	a. Grant writing training workshop for faculty abd students with resource persons drawn from TETFund, & other	Organisation of one week hands- on grant proposal writing	To ensure sustainability of activities of the Centre	Improved revenue generation and funding of centres activities	\$20,000.00	Centre Leader, Communication Officer					
			b. Support for Grant writing	Provision of seed fund (Support) to faculty and students for grant			\$25,000.00	Project Coordinator, Accountant					
	I n S	nternatio nal Student	Payment/waiver of tuition fees for regional and international students	Facilitation of regional and students enrolment into the Centre's training programmes	To encourage/ support higher foreign students' enrolment	Increased number of regional and international student enrolment	\$30,000.00	Centre Leader, Project Coordinator					
	S in C	Streghnten ng Centre's esearch	a. Organize workshop for faculty on improved teaching methods and facilities		To improve lecture delivery	Improved quality of research output and skilled trainees.	\$25,000.00	Centre Leader/Project Coordinator					
			b. Regional and industry partnership development	Provision of quality research facilities for quality research work	Enhancement of research supervision and improved research capacity	Increased number of partnerships	\$30,000.00						
			c. Regional Faculty Exchange	teaching and research	Internationalizatio n of research activities of ACENTDFB	Improved quality of research outputs	\$40,000.00						
			d. Language support for regional students	courses for non- english speaking students in collaboration with English	from Arabic,	Improved comprehension and enhanced integration of non english speaking students into the university	\$20,000.00						
	V a tr	and raining	a. Capacity building workshop on epidemiology, diagnosis and management of neglected tropical disease to staff of federal and state ministries of health infectious diseases Workshops and training	diseases on healthcare workers	To provide manpower in the sampling, diagnosis and management of neglected diseases and generate revenue to the centre			Centre Leader, Communication Officer					
	R a c	.4. Research activities coordinati	a. Engagement of two Post doctoral Students ( <i>The</i> <i>University will</i> fund the cost of this category)	Assisting students in designing research protocols & day to day research activities	To ensure that student research activities are smooth sailing	More students complete their research works on time	\$18,000.00	Project Coordinator, Centre Leader					

l	1	l	b. Renumeration for	Assisting and	1	l i	\$12,000.00	Accountant					
			nts for Lab Manager (\$600 /month)	facilitating students lab research work, use of equipment and access to			, ,						
		15. Commitm ent to Collaborati ng/Partne r	a. Capacity building on molecular diagnosis of trypanosomes by Nigerian Institute for Medical research,	To provide research and training support at the partner institutions	Strengthened collaboartion between ACENTDFB and partner institutions	More effective and improved achievement of Centres objectives in terms of capacity building of national	\$25,000.00	Centre Leader/Project Coordinator					
			Provision of bench space for joint student and faculty rabies research works at KNUST, Kumasi, Ghana			and regional students	\$25,000.00						
			Faculty exchange: with University of Bremen -one each from Universitat Bremen and ACENTDFB				\$25,000.00						
			Provision of training workshops and materials for a Capacity building on Onchocerciasis at the University of Ngaudaure, Cameroon				\$30,000.00						
			Provision of capacity training workshop materials and logistics on Trypanosomiaisis Field Epidemiology of training on filed epidemiology at NITOR, Kaduna, Nitoria				\$25,000.00						
		16. Data Resources acquisition	a. Initiation and subscription to NgREN, Reserch Content & ScienceDirect through NUC	Provide ready and easy access to critical adademic data sources to members of the University community ad other stake holders		Acquisition of repositories and publication data sources	\$100,000.00						
			b. Dissemination of Data resources to University Community through ICICT, University Library, University Senate & electronic newsletter			Accessibility to and utilization of data resources by university community (faculty and students)	\$5,000.00						
		Total					\$1,550,500.00
