STATEMENT OF COMMITTEES' RESPONSIBILITIES IN RELATION TO THE
PREPARATION OF THE FINANCIAL STATEMENTS FOR THE YEAR
ENDED 31 DECEMBER 2024**

The Companies and Allied Matters Act, CAP C20, Laws of the Federation of Nigeria 2004, requires the Project Management committee to prepare financial statements for each financial year that give a true and fair view of the state of financial affairs of Africa Centre of Excellence for Neglected Tropical Diseases and Forensic Biotechnology at the end of the year and of its surplus or deficit. The responsibilities are:-

- a. keeps proper accounting records that disclose, with reasonable accuracy, the financial position of the Center and comply with the requirements of the Companies and Allied Matters Act, CAP C20, Laws of the Federation of Nigeria 2004 and Financial Reporting Council of Nigerian Act No. 6, 2011;
- b. establishing adequate internal controls to safeguard its assets and to prevent and detect fraud and other irregularities; and
- c. preparing its financial statements using suitable accounting policies supported by reasonable and prudent judgements and estimates, and are consistently applied.

The Committee accepts responsibility for the annual financial statements, which have been prepared using appropriate accounting policies support by reasonable and prudent judgments and estimates, in conformity with applicable Standards and the requirements of the Companies and Allied Matters Act, CAP C20, Laws of the Federation of Nigeria 2004.

The Committee is of the opinion that the audited Financial Statements give a true and fair view of the state of the financial affairs of the Center and of its deficit for the year ended 31 December 2024. The Committee further accepts responsibility for the maintenance of accounting records that may be relied upon in the preparation of the audited financial statements, as well as adequate systems of internal financial control.

Going Concern:

The Committee has made assessments of the Centre's ability to continue as a going concern and have no reason to believe that the Centre will not remain a going concern in the years ahead. Resulting from the above, the Committee has a reasonable expectation that the Centre has adequate resources to continue operations for the foreseeable future. Thus, the Committee continues the adoption of the going concern basis of accounting in preparing the annual financial statements.

Signed on behalf of the Committee by:

Prof. Y. K. E. Ibrahim

Independent Auditor's Report

To the Members of Africa Centre of Excellence for Neglected Tropical Diseases and Forensic Biotechnology, Ahmadu Bello University, Zaria

Opinion

We have audited the financial statements of Africa Centre of Excellence for Neglected Tropical Diseases and Forensic Biotechnology, Ahmadu Bello University, Zaria which comprise the statement of financial position at 31 December 2024, statement of surplus or deficit and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Center at 31 December 2024, and its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs) in compliance with the Financial Reporting Council of Nigeria Act, No 6, 2011 and in the manner required by the Companies and Allied Matters Act, 2020.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the financial statements section of our report. We are independent of the Center in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Nigeria, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

The Committee is responsible for the other information. The other information comprises the Committee's Report; but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appeared to be materially misstated.

If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Committee and those charged with Governance for the Financial Statements

The Committee is responsible for the preparation and fair presentation of the financial statements in accordance with International Financial Reporting Standards; in compliance with the Financial Reporting Council of Nigeria Act, No 6, 2011 and in the manner required by the Companies and Allied Matters Act, 2020, and for such internal control as the Committee determines necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, the Committee is responsible for assessing the Center's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Committee either intend to liquidate the Center or to cease operations, or have no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Center's financial reporting process.

Auditor's Responsibilities for the Audit of the Center's Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Center's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Committee.
- Conclude on the appropriateness of the Committee's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Center's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Committee to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entity or business activities to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the Center's audit. We remain solely responsible for our audit opinion.

Report on Other Legal and Regulatory Requirements

In accordance with the requirement of fifth schedule of the Companies and Allied Matters Act, 2020, we confirm that:

- i) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- ii) The Center has kept proper books of account, so far as it appears from our examination of those books.
- iii) The Center's statement of financial position, statement of profit or loss and other comprehensive income are in agreement with the books of account.

TROPICAL DISEASES AND FORENSIC BIOTECHNOLOGY
AHMADU BELLO UNIVERSITY, ZARIA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2024**

1 Reporting entity

The Africa Centre of Excellence for Neglected Tropical Diseases and Forensic Biotechnology was established in collaboration with the World Bank to drive Molecular Research and innovations. Following the call for proposal for the establishment of Africa Centers of Excellence by the World Bank and Association of African Universities in August 2013, Ahmadu Bello University, Zaria submitted four proposals in three thematic areas (Agriculture, Health, and STEM (Science Technology Education and Mathematics)). The proposal for the establishment of Africa Centre of Excellence for Neglected Tropical Diseases and Forensic Biotechnology (ACENTDFB), headed by Prof. Andrew Jonathan Nok (late) was one of the ten successful Centers in Nigeria that took off in 2014. The Centre's registered address operates from Ahmadu Bello University, Samaru, Zaria, Kaduna State.

2 Basis for preparation

(a) Basis of measurement

These financial statements have been prepared on historical cost basis.

(b) Functional and presentation currency

These financial statements are presented in Nigerian Naira, which is the Centre's functional currency. All financial information presented in Naira have been rounded to the nearest thousands, unless otherwise.

(c) Use of estimates and judgements

The preparation of the financial statements requires the use of judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenditures. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

2.1 Significant accounting policies

The accounting policies set out below have been applied consistently by the Centre to all periods presented in these financial statements.

(a) Income

Grants are stated at amounts actually received during the year.

(b) Property, plant and equipment (PPE)

PPE include all assets taken over by the Centre at its inception and subsequent additions. All additions are capitalized.

Depreciation on property, computer equipment, furniture and equipment is calculated on a straight line basis at rates deemed appropriate to write off the cost of the assets to their residual values over their expected useful lives.

Depreciation is recognised so as to write off the cost or valuation of assets (other than properties under construction) less their residual values over their useful lives, using the straight- line method on the following basis.

Buildings	%
Motor vehicle	2
Office equipments	25
Computer equipments	20
Furniture and Fittings	20
Laboratory equipment	15

The Project's assets' residual values and useful lives are reviewed at the end of each reporting period and adjusted if appropriate. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable value. Gains and losses on disposals are determined by comparing the proceeds with the carrying amount. These are included in the statement of receipts and payments.

**AFRICA CENTRE OF EXCELLENCE FOR NEGLECTED
TROPICAL DISEASES AND FORENSIC BIOTECHNOLOGY
AHMADU BELLO UNIVERSITY, ZARIA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2024**

- (c) **Inventories**
Inventories are measured at the lower of cost and net realizable value. Obsolete items are written off.
- (d) **Account receivables**
Receivables are recognized and carried at original invoice amount less provision for impairment.
- (e) **Cash and cash equivalents**
Cash and cash equivalents comprise cash on hand, cash balances with other banks and call deposits with original maturities of three months or less.
- (f) **Account payables**
Payables are not interest bearing and are recognized and carried at original invoice amount.
- (g) **Provisions**
Provision are recognized when the Centre has a present obligation, (legal or constructive) as a result of past event for which it is probable that an outflow of resources will be required to settle the obligation and a reliable event can be made of the amount of the obligation.
- (h) **Translation of foreign currencies**
Translation in foreign currencies were translated to Naira at the rate ruling at the transaction date while balances were translated at the rate ruling as at the balance sheet date.
