**The Procurement Officer,**  
Africa Center of Excellence for Neglected Tropical Disease and Forensic Biotechnology  
(ACENTDFB),  
Center for Biotechnology and Research Training,  
Ahmadu Bello University,  
Zaria.

Dear Sir,

### QUOTATION FOR THE PROCUREMENT AND INSTALLATION OF (ACENTDFB) LABORATORY EQUIPMENT LOT 2

We thank you for granting us the opportunity to be among the reputable companies selected to quote for the supply and installation of the above listed equipment.

We have made available, detailed provisions for the items requested based on the latest technology and product range currently available in the industry. We have also been conscious of the relevance of such technology to our immediate environment.

#### PROJECT EXPERIENCE

Our interest in this project stems from the invaluable experience we have garnered over the years from executing similar projects. We have supplied and installed medical, laboratory, teaching and research equipment to various teaching hospital and learning institutions and across the country.

We have equally supplied and maintaining specialized equipment to places like Obafemi Awolowo University Teaching Hospital (OAUTH), Federal University of Technology, STEP-B Project, (FUTA), Federal University of Technology, Akure, (FUTA), University of Lagos, Obafemi Awolowo University, (STEP-B Project), Obafemi Awolowo University, (OAU) Ile-Ife, Central Science Laboratory of Obafemi Awolowo University, Ile-Ife, Centre for Energy Research and Development of Obafemi Awolowo University, Ile-Ife, University of Ilorin Teaching Hospital (UIITH), Yaba College of Technology, Yaba, Lagos, University of Ibadan, Oyo State, National Research Institution for Chemical Technology, Zaria, Kaduna State (NARICT), University of Ilorin Teaching Hospital, Nigerian Institute of Science Laboratory Technology (NISLT), the Polytechnic, Ibadan, Oyo State, various University Teaching Hospitals in Nigeria and World Bank sponsor project at Federal Capital Development Authority (FCDA) Abuja, just to mention a few.

Femimat Concept Limited have in their employment professionally trained Staff, equipped and experienced in procuring of any equipment. We are able to carry out maintenance on any equipment we supplied.

Please note that our offer is as comprehensive as possible given the target specification as well as prevailing environmental conditions. Where appropriate, our offer includes essential accessories that will ensure that the equipment are optimally functional.

Furthermore, our expertise in this sector will ensure that all equipment supplied by us will not only be compatible to the environment in which they shall be used but be quite user friendly.

**PLANNED PREVENTIVE MAINTENANCE:** Our Engineers will provide preventive maintenance during the warranty period. After expiry of the warranty period, we will provide after sales maintenance under a separate contract.

**DELIVERY: 8 weeks**

**WARRANTY:** We shall extend the Manufacturer warranty of 12 months to cover all equipment supplied by us from the date of supply. This warranty excludes cost of servicing/maintenance (charged separately on request by the consumer), damages arising out of abuse or improper use. The warranty is only applicable under our standard condition of sales. *The above price include 12months Warranty from installation or 15months from delivery whichever one come first.*

**VALIDITY: 120 DAYS**

**INSTALLATION & COMMISSIONING:** Will be carried out by our team of dedicated, well trained and Manufacturer certified Engineers.

**TRAINING:** Our Medical personnel will conduct local training for the first line Users and maintenance on the equipment after installation.

**AFTER-SALES SERVICES:** This will be provided by our trained Engineers to ensure that all equipment supplied is optimally utilized on expiry of the warranty period.

We sincerely look forward to offering our highly professional service in this regard.

Thank you.

Yours faithfully,

For: Femimat Concept Limited

  
Omoniwa Ayobamidele  
Project Director.
